The Class of 2016 proudly dedicates this yearbook to...

Mrs. Ashley Bissanti

and

Ms. Taylor Wiedemann

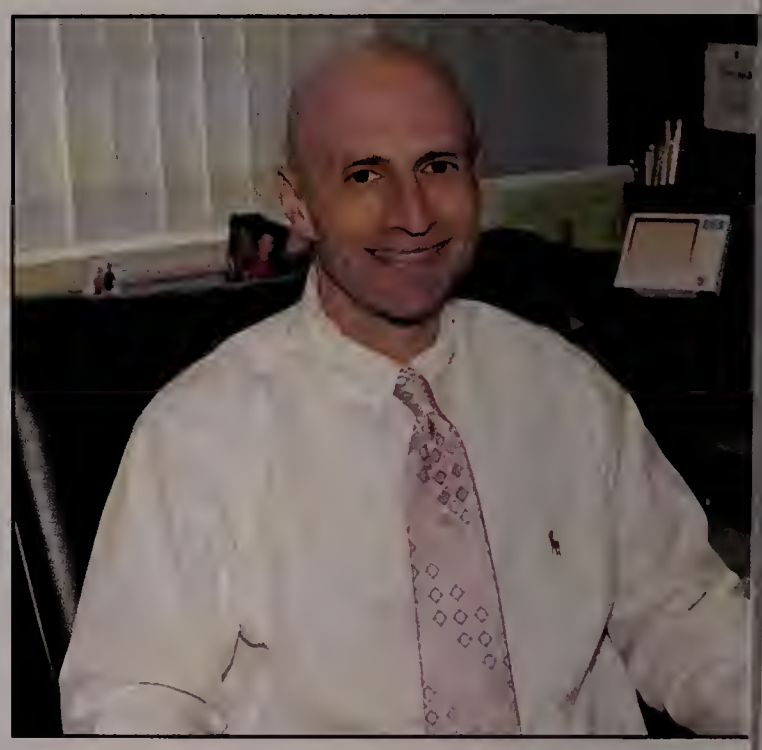
For the past four years Mrs. Bissanti and Ms. Wiedemann have been dedicated to the class of 2016. Their hard work has led to many successful events such as proms, fundraisers and school dances. In addition to their work in planning activities for our class, they have also been inspiring teachers for all who have had the pleasure of having them. Their positive outlook and willingness to do all that they can for our class has made these past fours years an unforgettable experience for all of us. Thank you both for going above and beyond and truly being influential leaders not only for our class but also our school.

Best Wishes,
The Class of 2016

A letter from your... Administration

Congratulations to the class of 2016! You have left your mark on Silver Lake Regional High School and our community. You are a class that we will remember as being hardworking, motivated, determined, and full of school spirit! The results can be seen in all that you've accomplished from high scores on MCAS, AP and SATs, to countless accolades for your student council representatives, athletic teams, performances in the arts, community volunteers and awards earned in the CTE programs. Your achievements over the last four years, however, are just the beginning of the all the great things you will set out to do in your lifetime. Always strive to be the very best in everything you do but remember to enjoy the journey and have fun along the way. I wish you much happiness and success, now and always.

Sincerely,
Mr. Mulcahy



Congratulations to the class of 2016! Your time at Silver Lake has been memorable. Not only have you created memories for each other that will last a lifetime, you have left your mark on our school. I hope that you take a few moments and reflect upon your many achievements both as individuals and as a class--you have earned it! As you leave Silver Lake, I am reminded of a saying often heard in the financial field: "Past accomplishments are no guarantee of future success. If you replicate the efforts you put forth during your time as a Laker, I have no doubt you will prove this notion false.

I wish you the best of luck now and always.

Steven Blette
Assistant Principal

Dear Class of 2016,

It seems like just yesterday you were here visiting the high school on Step Up Day and now here you are, getting ready to walk across the stage to receive your diploma! From day one your class has set itself apart from others with your enthusiasm for learning, school spirit, service to others and respect for your community. Each of you has made us very proud and you have left your own personal marks in the academic, athletic, and extracurricular settings. This is just the beginning! I wish each and every one of you a very healthy and happy future. Enjoy the journey, the world is yours to conquer!

Sincerely,
Mrs. Gill

A letter from your... Class Advisor

To The Class of 2016:

We have had the pleasure of witnessing you grow from shy freshmen planning the Temple Run Homecoming skit to confident seniors holding the title as the reigning champions of the Homecoming Tailgate Competition. Over the years the class officers, along with the representatives, have worked tirelessly to run successful fundraisers, events and dances. Our fondest moment was the spectacular senior dinner dance at Indian Pond Country Club. We are so proud of the mature and responsible young adults that you have all become. Our top three pieces of advice for you are to be humble and kind, show up on time and always be Silver Lake Strong. As you continue on your journey in life, whether to college or into a career, I want to leave you with a quote from Ellen Degeneres, "Follow your passion, stay true to yourself, never follow someone else's path unless you're in the woods and you're lost and you see a path then by all means you should follow that." :)

Thank you for all the happy memories and best of luck in your future endeavors!
Mrs. Ashley Andrews Bissanti and Miss Taylor Wiedemann

A letter from your...

Yearbook Editors

Congratulations Class of 2016! The time has finally come! All of our hard work for the past twelve years has paid off as we end our journey here at Silver Lake. As your yearbook staff we would like to thank all of you for your support and participation to make this yearbook something special to remember. Putting together this yearbook has been a pleasure and we hope it captures all the memorable experiences from the past twelve years and is something great to look back on in the future. Regardless of the next path you choose after high school, we wish you all the best and thank you for making our time here so memorable. Best of luck everyone!

The 2016 yearbook staff,

Kevin Cotter

A letter from your...

Class President

Dear Class of 2016,

For the past four years, I have had the honor of being your class president. Although it did not always feel like it, these years truly have flown by and as we prepare to leave Silver Lake and move towards the future I hope that we all are able to think back on all that we have done and be proud of what we have accomplished. Ever since we began school, we have dreamed of what the future would hold. However, now that we are beginning the next phase of our lives, it is important that we remember what we have learned during our time together, the friendships we have made and the challenges we have overcome. I have learned so much from our experiences together, from the first day of freshman year to the last time we walked through the hallways together, and consider myself lucky to have been able to grow alongside all of you. I am extremely excited to see what we will all contribute to society as we grow and wish all of you the best in your future endeavors. Congratulations Class of 2016!

Your Class President,
Sarah Fontaine

A letter from your... Class Officers

Dear Class of 2016,

We would like to thank all of you for giving us the opportunity to be your class officers throughout our high school experience. It has been a pleasure planning proms, putting together several winning tailgates, watching both the players and cheerleaders at female flag football, holding fundraisers, and supporting both our favorites sports teams and drama plays. We enjoyed being able to complete our high school journey together, and again want to thank you all for supporting us along the way. These past four years we have all worked extremely hard to make our events as memorable as possible, and we are proud to have been successful in all our endeavors. Our events wouldn't have been successful without the support of our fellow student council members and other dedicated classmates. We wish you all nothing but the best as we take this step into the next chapter of our lives and hope that you accomplish great things.

Your Class Officers,
Sarah Fontaine Ashley Arroyo

What a ride it's been. Many ups and downs over the past 18 years but we wouldn't have had it any other way! Your growing awareness of what makes you different, understanding others true intentions, your commitment to your values, your strong will, your leadership qualities and the fearlessness you radiate are gifts you should share with others. Two roads diverged in a wood, and You took the one less traveled by, And that has made all the difference. We are so proud.

Be careful roller skating on mountain tops. Don't throw tomatoes at ceiling fans. Or pitch apples at cousins. Grapes are purple. A day at the beach makes everything better. If you aren't near a beach, find a softball field. Keep making everyone smile. Love you to the moon and back.
